**Re: GIBSON V. RIVER AND HILLS et al
1:23-cv-348 (MKV)
Joint Letter Request**

Hon. Mary Kay Vyskocil:

My office represents Plaintiff in the above referenced matter. We write to request a two-week extension of the parties' time to file an executed stipulation of discontinuance. Defendants join in this request.

The entirety of the settlement agreement has been prepared and approved by the parties; we await client signatures. We would certainly understand if this extension is marked "final" and and we appreciate the Court's patience in permitting the parties to proceed to settlement in an amicable and efficient fashion.

My office remains available should any further information be required. Thank you for your time and consideration.

The deadline to move to reopen this case is ADJOURNED to June 2, 2023. The parties do not need to file an executed stipulation of discontinuance on or before that date. As specified in this Court's Order at ECF No. 20, if the parties do not move to restore this action or or before that date, this action will be dismissed with prejudice.
